Dear Abisola,

We are looking forward to the start of your Contractor position with Yates Whitaker LLP Chartered Professional Accountants.

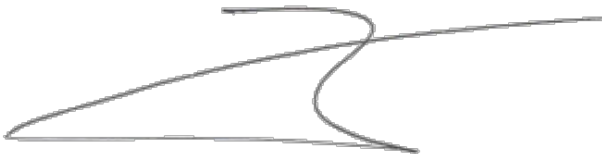

As per our previous conversations, we would like to give you a one-time payment of \$250.00 in United States of America currency (USD) for agreeing to be one of the first Contractors to test our new International payment system. You will be paid \$250.00 from a company called, “Payoneer” for this first payment test and it includes our recognition for any preliminary readings and training that you may do, prior to your official start date.

Our Accounts Payable department will be in contact with you to obtain your information in order to get you set up on the Payoneer system. Once this system is up and running, your monthly Contractor fees will be paid through this system.

Once again, we thank you for your ongoing patience and understanding as we have endeavor to get our Offshore Contracting processes in place.

Welcome to the Yates Whitaker LLP Team!

Yours sincerely,

Tom Christensen, CPA, CA, MPACC
